

Calgary Highland Dance Association (CHDA)

The CHDA is a wonderful volunteer based organization that runs all of our local Calgary competitions - usually about 4 per year. We are incredibly lucky as a dance community to have such awesome volunteers who dedicate their time and effort to creating dance opportunities for the local dancers.

In the past many GC dance parents have been a part of the CHDA. Not only does being a part of the CHDA help to increase your understanding about what goes on in the dance community outside of our dance school, it also helps to increase awareness about the time and effort that goes into planning and executing Workshops, Competitions and Championships.

We encourage our GC parents to attend the monthly CHDA meetings, which typically happen at NGPCA one Monday a month. These are a fantastic way to stay updated on what is happening in our dance community. It's also a great way to help keep Highland Dancing alive in our community, because without the volunteers who dedicate their time to this organization we wouldn't have any competitions or events to dance at!

We encourage competitive dancers to register to be a CHDA Member which decreases the entry fees that you pay when registering for competitions and offers opportunities like super fun dance workshops.

For more information about the CHDA please go to their website: www.chda.ab.ca We would LOVE to see some more Gillie Callum parents attend these meetings and take interest in the roles within the CHDA
